Good day, Ms Elizabeth Smith.

I saw the job advertisement on a website about you seeking English-speaking people to work as Activity Leaders at your summer camps for young teenagers. So, ~~the~~ I'm interested.

I would like to work as Activity Leader and take part in classroom-based work. I have very good English language skills, so I think I could be a good leader. Also, I have a three years experience of working in different types of summer camps. I like to interact with young teenagers using English language and your summer camp is just perfect ^{for} to me.

If you ~~will~~ ^{give} me an opportunity to work in ~~the~~ camp, I will be very thankful. One of my main personal quality is I can ^{do} any work so easily, which means that I can be available for it at any moment. I think all ~~this~~ ^{that} makes me the perfect choice for this role.

I'm waiting for your answer.
